WEDNESDAY, MARCH 13, 2024

Mission: To Support CPS Energy’s essential elements of success by acting as an interface between CPS Energy and its customers; to help tell the CPS Energy story often and well; to understand performance measures and to challenge CPS Energy to “think outside the box.”

Vision: The vision of the CAC is to partner and to work with CPS Energy to be the best value for electric power and natural gas in the service area without compromising our quality of life while fostering an image of competence.
