

## Residential Disabled Citizen Billing Program

CPS Energy has a **Residential Disabled Citizen Billing Program** that grants disabled customers additional time to pay their utility bill. This Program is only applicable to the customer's principal resident, and requires annual recertification. In order to be eligible, Applicant:

- Must be a CPS Energy residential gas and/or electric customer
- Must receive Supplemental Security Income from Social Security Administration
- Must be the customer of record (person whose name is on the CPS Energy bill)

To apply for the **Residential Disabled Citizen Billing Program**, complete the form below and return it with a copy of your disability document for SSI from the Social Security Administration to CPS Energy, Attention: Disabled Program, P.O. Box 1771, San Antonio TX 78296-1771, or fax the application to **353-3666**. You may also call **353-2222** to request an application.
