

**City of San Antonio, Acting By and Through City Public Service Board (CPS Energy) and AEP Texas Inc. to Amend their Certificates of Convenience and Necessity for the Proposed Pawnee to Tango 345 kV Transmission Line Rebuild in Karnes and Bee Counties**

---

**Public Utility Commission of Texas (PUC) Docket No. 58253**

The City of San Antonio, acting by and through City Public Service Board (CPS Energy), and AEP Texas Inc. (AEP Texas) are requesting approval from the Public Utility Commission of Texas (PUC) to amend their Certificates of Convenience and Necessity (CCN) to construct the proposed Pawnee to Tango 345 kV Transmission Line Rebuild Project in Karnes and Bee Counties.

The proposed transmission line will connect the Pawnee Station in Karnes County to the AEP Texas Tango Station in Bee County. The entire project will be approximately 12 miles in length and is estimated to cost approximately \$86 million.

Persons with questions about the transmission line may contact CPS Energy at (210) 353-6673 or AEP Texas at (361) 881-5703. The CCN application, including detailed routing maps illustrating the proposed transmission line project and project area, may be reviewed on the project website at <https://www.cpsenergy.com/content/corporate/en/about-us/new-infrastructure/pawnee-to-tango.html> and at:

- CPS Energy, 500 McCullough, San Antonio, Texas 78215
- Joe Barnhart Bee County Library, 110 W Corpus Christi St, Beeville, Texas 78102

**The route included in this notice is available for selection and approval by the Public Utility Commission of Texas.**

Persons who are affected by the proposed transmission line and wish to intervene in the docket or comment on the joint applicants' application should do so by filing electronically and you will be required to serve the request on other parties by email. Therefore, please include your own email address on the intervention form. Instructions for electronic filing via the "PUC Filer" on the Commission's website can be found here: <https://interchange.puc.texas.gov/filer> Instructions for using the PUC Filer are available at [https://ftp.puc.texas.gov/public/puct-info/industry/filings/E-Filing\\_Instructions.pdf](https://ftp.puc.texas.gov/public/puct-info/industry/filings/E-Filing_Instructions.pdf). Once you obtain a tracking sheet associated with your filing from the PUC Filer, you may email the tracking sheet and the document you wish to file to: [centralrecords@puc.texas.gov](mailto:centralrecords@puc.texas.gov). For assistance with your electronic filing, please contact the Commission's Help Desk at (512) 936-7100 or [helpdesk@puc.texas.gov](mailto:helpdesk@puc.texas.gov). You can review materials filed in this docket on the PUC Interchange at: <http://interchange.puc.texas.gov/>.

While the preferred method is for you to submit your request for intervention electronically, if you are unable to do so you may mail 10 copies of the request to:

Public Utility Commission of Texas  
Central Records  
Attn: Filing Clerk  
1701 N. Congress Ave.  
P.O. Box 13326  
Austin, Texas 78711-3326

***The only way to fully participate in the PUC's decision on where to locate the transmission line is to intervene in the docket. It is important for an affected person to intervene because the utility is not obligated to keep affected persons informed of the PUC's proceedings and cannot predict approval by the PUC.***

**City of San Antonio, Acting By and Through City Public Service Board (CPS Energy) and AEP Texas Inc. to Amend their Certificates of Convenience and Necessity for the Proposed Pawnee to Tango 345 kV Transmission Line Rebuild in Karnes and Bee Counties**

---

The deadline for intervention in the docket is July 21, 2025, and the PUC should receive a filing from anyone requesting intervention by that date.

The PUC has a brochure titled “Landowners and Transmission Line Cases at the PUC.” Copies of the brochure are available from CPS Energy at 210-353-6673 and AEP Texas at 361-881-5703 or may be downloaded from the PUC’s website at [www.puc.state.tx.us](http://www.puc.state.tx.us). To obtain additional information about this docket, you may contact the PUC’s Customer Assistance Hotline at (512) 936-7120 or (888) 782-8477. Hearing- and speech-impaired individuals with text telephones (TTY) may contact the PUC’s Customer Assistance Hotline at (512) 936-7136 or toll free at (800) 735-2989.

In addition to the intervention deadline, other important deadlines may already exist that affect your participation in this docket. You should review the orders and other filings already made in the docket.

In their CCN application for this project, CPS Energy and AEP Texas have presented a single route for consideration by the PUC. The following description provides segment information that makes up the route for this project. This route is available for approval by the PUC.

*Note: All distances listed below are approximate and rounded to the nearest hundredths of a mile.*

**Project Route: 12.23 miles**

The project route composed of one segment begins at the South Texas Electric Cooperative Pawnee Substation, located approximately 4.5 miles northwest of State Highway (SH) 72. The segment leaves the Pawnee Substation and proceeds southeast for approximately 0.16 mile. The segment then turns east-southeast for approximately 0.18 mile. The segment then turns southeast for approximately 11.74 miles, crossing Farm-to-Market (FM) 882, the Karnes and Bee County line, SH 72, and Farm-to-Market 798. Finally, the segment turns southwest for approximately 0.15 mile and terminates at the AEP Texas Tango Substation, located approximately 0.15 mile northeast of FM 673.
