## Footnotes

1. 2019 LEAF S starts at \$29,990. As shown 2019 LEAF S Plus starting at \$36,550. Price is Manufacturer's Suggested Retail Price (MSRP), excluding \$895 destination charge, tax, title, license. Dealer sets actual price.

**2. ELIGIBILITY REQUIREMENTS AND OTHER RESTRICTIONS APPLY. PROOF OF ELIGIBILITY REQUIRED.** The **\$3,500** Nissan rebate off MSRP for 2019 LEAF and **\$2,500** Nissan rebate off MSRP for 2019 LEAF Plus are available to current customers and employees of CPS Energy who reside in the following states: Alabama, Alaska, Arizona, Arkansas, California, Colorado, Florida, Georgia, Hawaii, Idaho, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Michigan, Minnesota, Mississippi, Missouri, Montana, Nebraska, Nevada, New Mexico, North Carolina, North Dakota, Ohio, Oklahoma, Oregon, Pennsylvania, South Carolina, South Dakota, Tennessee, Texas, Utah, Virginia, Washington, West Virginia, Wisconsin, and Wyoming. Must present to the participating Nissan dealer the following proofs of eligibility: (1) a copy of your current utility bill or proof of current employment at CPS Energy and (2) a copy of both sides of this flyer.

Available on purchase from new dealer stock. This incentive cannot be combined with any other Nissan special incentives. See dealer for details. **Ends 9/30/2019.**

**3.** The incentives referenced are for informational purposes only. This information does not constitute tax or legal advice. All persons considering use of available incentives and additional perks should consult with their own tax or legal professional to determine eligibility, specific amount of incentives available, if any, and further details. The incentives and additional perks are not within Nissan's control and are subject to change without notice. Interested parties should confirm the accuracy of the information before relying on it to make a purchase.

RESIDENCY RESTRICTIONS MAY APPLY. Questions - [valerie.kornahrens@nissan-usa.com](mailto:valerie.kornahrens@nissan-usa.com)

## Our Community Benefits from Electric Vehicles

**Electric vehicles are energy efficient and fun to drive.**

- On average, it costs about half as much to drive an electric vehicle, compared to an internal combustion engine vehicle.
- You can charge your EV at home, at work, or on the road. Skip the gas station and simply plug in your EV when you get home and have it ready to use the next morning.
- All-electric vehicles produce zero direct emissions and help improve our local air quality.
